

Assumption of the Risk and Waiver of Liability – COVID 19

The novel coronavirus, COVID-19, has been declared a pandemic by the WHO. It is contagious and is believed to spread primarily from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing.

Kavi School of Dance (KSD) has put in place preventive measures to reduce the spread of COVID-19 by adequate and frequent disinfecting of the dance studio, making available hand sanitizers and by promotion of the need to social distance during the activities of the school; however, KSD cannot completely rule out that you and/or your child(ren) do not run the risk of being infected.

Please read the following statement and acknowledge and accept same by signing below:

By signing this agreement, I acknowledge that the risk of becoming exposed to or infected by COVID-19 while at KSD may result from the actions, omissions, or negligence of myself and others, including, but not limited to, KSD owner, members and their families. I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by participating in activities at KSD.

I voluntarily agree to assume all of the risks and accept sole responsibility for any injury to my child(ren) or myself (including but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expenses, of any kind, that I or my child(ren) may experience or incur in connection with my or my child(ren)'s presence at KSD or participation in any KSD programs, activities or events ("Claims").

On my behalf, and on behalf of my child(ren), I hereby release, covenant not to sue, discharge, and hold harmless KSD, its owner of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto.

I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of KSD, its owner, whether a COVID-19 infection occurs before, during or after visitation, play or participation in any program or activity at KSD
